Luís Felipe do Nascimento de Assunção

About

I love things that keep me busy, like solving complex bugs, watching series, eating pizza, and traveling.

Experience

Zorin Discord Bot 2021 - *

A music bot that I created for fun, but over time it gained some visibility and started to grow, it was written in typescript and had several techniques implemented, such as microservices, database, external api, among others.

Typescript

Education

I am currently finishing my Bachelor's Degree in Computer Science at **Universidade de Cuibá (UNIC)**
